- ❖ Our experienced coaches will be hand selected, and only those with solid credentials and track record will be Minnesota Hustle coaches. Our coaches will be evaluated multiple times during the season on performance to ensure they are meeting the needs and standards of the players, parents, and organization.
- ❖ Fall Program runs September through mid October.
- ❖ We will be playing in the **MYAS Gopher State Fall League**. The league is intended to be a "tune-up" for winter school/travel ball season.
- ❖ Boys and Girls from 8u - 17u will be allowed to play for Minnesota Hustle. We will have teams for each skill level and experience, from elite players to developing players. We will make every attempt to place your son or daughter on a team.
- ❖ We will use quality practice facilities from around the North and West Metro. 1 to 2 practices a week.
- ❖ Teams play on four (4) weekend league dates, all in the Metro Area. These are one day events on the following dates: **Sept 19 & 26 and October 3 & 10**. Two games per date.
- ❖ We will provide uniforms for our players.
